2. We understand that some Non-Tuition Fee items (such as penalties & fines for You-Break-You-Replace, Non-attendance of Parents Meetings, Consultation Days, Non-Collection of Term-Reports, Late Payment & Lieu-of-Transfer Notice) and (extramural activities such as all School Tours or Subject Trips/Excursions, Fundraisings, Casual Days, Prize-Giving/Graduation, Matric Dance, Subject Practical’s, and any other Special Events) that are compulsory & payable by all the affected learners, will be compounded into the Financial Account balances and reflected on our Statements of Accounts as alluded to in point 1 above.
3. We accept that **Admission Fee is not refundable** after a cooling off period of one month from date of payment, subject to a **25% cancellation fee**, & that **Tuition Fee is not refundable nor exemptible**, regardless of any holidays and forced closures of school for a period within which a Learner remains enrolled. We understand that Siblings are children **sharing a biological parent**, who is responsible for payment of fees for all such children to qualify for a Siblings Discount, that any payments in respect of Siblings will be allocated starting with the youngest first, or at the discretion of the School after considering all the siblings’ accounts, and that the full Annual school fee and all levies should be **paid in full by the last day of February** to qualify for an Early Settlement Discount.
5. We do anticipate that School Fees may fluctuate, usually upwards, each year, or when our child changes grades or phases. While the school will actively inform us of such changes through its most convenient medium, it will remain our sole responsibility to be aware of the correct amount due and payable.
6. We are aware that School Fees is due in full **every Quarter in advance before the 07th of the first month of the quarter**, that all annual levies precede **Term 1 Tuition fees (payments will be allocated to Levies first before any remainder may be offset against Tuition Fees)**, and that **GRADE 12 pay fees in Semesters, 31st January for 1st Semester and 30th April for 2nd Semester. Grade 12 Learners admitted on special arrangements should pay full annual fee upon admission.**

8. It is our responsibility to insert the correct references (Child’s registered **surname & full names**), when paying, for easy allocation of our funds, & to present such bank proof of payment to the school finance section immediately after effecting payment, as lost or misplaced deposit slips or untraceable funds are our sole responsibility, & the school reserves its right to demand due payment, in the event of our failure to prove that we have paid the amount in question.
9. It is our responsibility, and right, to obtain a cash receipt slip from school should we, for any reason, swipe our bank cards or pay any cash at the school office.
10. **We ACCEPT that the preferred payment method for all school fees is, by right, the DEBIT ORDER, and that in allowing us to pay by Cash/EFT/Other means, the school does not forfeit its right to use of the Debit Order.** By **SIGNING this Form**, we thus give our **advance FULL CONSENT** to Wilmary CLC to invoke its **chosen collection or recovery method** on our bank accounts as provided on this Form, whenever it becomes convenient for them.
11. Should we fail to settle our account in time, any discounts advanced will be reversed, (as all discounts offered by Wilmary CLC are effectively settlement discounts), then penalties will be charged, whether our account is handed over for legal action or not.
12. **At end of a Quarter**, the school shall charge a late payment penalty on overdue accounts at **25%**; & a flat penalty on uncollected Reports or other violations.
13. Outstanding accounts will result in Financial Suspension, which means that the school will exercise its rights to suspend our child from **lessons**, deny us any **consultative access** & withhold his/her **Performance Results**. This may usually be followed by Surety being contacted. If our account falls in arrears for a year, the School will declare us **“delinquent”** and at its discretion automatically freeze or deactivate our child’s registration pending subsequent de-registration and expulsion, concurrently with **Legal action** to collect all amounts due and payable, regardless of which action was first.
14. The School will hand over our overdue account to its Lawyers for Debt Collection or litigation, as may be deemed fit, to legally recover all amounts due by ourselves, without further notice, and that should our account at any time be handed over for legal action, we will bear all the legal costs as they arise.
15. We confirm that ALL the information provided by us to you is true & correct. We pledge to update you within a month of any future changes to any relevant information sworn in this Form, and we render Wilmary CLC free of liability if acting according to info that we have changed without your prior knowledge.
